The screenshot shows the OrthoWeb website interface. At the top, it says "Medical Imaging Software for PACS Integrated Orthopedic Templating". The browser address bar shows "http://www.orthocrat.com/". The OrthoWeb logo is on the left, and navigation links for "About OrthoWeb", "About Voyant Health", and "Contact Us" are on the right. A central diagram illustrates "OrthoWeb™ Built on industry-proven cloud technology" connecting various locations: HOSPITALS, OFFICES, PACS, DR/CR Room, Operating Room, Regs, Colleagues, Home Office, DR/CR Room, and CLINICS. A "NEW" badge is placed over the "Regs" icon. Below the diagram, the text reads "HOME & REMOTE LOCATIONS".

**NEW Version 1.5**  
Introducing the new OrthoWeb™, the latest innovation in orthopedic workflow using industry-proven cloud technology.

OrthoWeb is a highly secure, web-based environment allowing you to bypass the technical issues often encountered when moving and sharing images. Patient images are uploaded to your OrthoWeb account, giving you secure access to images in order to template from home, the hospital, or the operating room.

**Plan from anywhere. Access everywhere.**

**No risk, all reward**

- Monthly subscription
- Free, 30-day trial
- Unlimited access
- No annual contract—cancel at any time
- Includes complete TraumaCad digital templating functionality

**3 subscription options**

<b>1 to 4 Users</b> This account is shared by 1 to 4 users.	\$410 per user per month
<b>5 to 9 Users</b> This account is shared by 5 to 9 users.	\$300 per user per month

**Previous OrthoWeb Accounts**  
Log in to your old account to access previous cases.

**A new way to work**

**Available in a monthly subscription**  
Use any internet-connected PC for unlimited access to your cases. No annual contracts or artificial licensing constraints.

**Bypass technology barriers**  
Access images and templates anywhere—the clinic, the hospital, or even at home. Use your OrthoWeb account in the OR to view, edit, and refine plans directly in TraumaCad using BrainLAB Digital

## Plan anywhere. Access everywhere.

OrthoWeb™ is a highly secure, web-based environment allowing you to bypass the technical issues often encountered when moving and sharing images. Patient images are uploaded to your OrthoWeb account, giving you secure access to images in order to template from home, the hospital, or the operating room.

With an OrthoWeb subscription, you can use TraumaCad™ to continue planning activities from anywhere. OrthoWeb includes complete TraumaCad digital templating functionality.

# Subscription Options

---

## 1 to 4 Users

This account is shared by 1 to 4 users.

\*\$410  
per user  
per month

---

## 5 to 9 Users

This account is shared by 5 to 9 users.

\*\$300  
per user  
per month

---

## 10 to 15 Users

This account is shared by 10 to 15 users.

\*\$250  
per user  
per month

---

*Existing OrthoWeb users or new accounts requiring more than 15 users should contact Voyant Health for special pricing details—[sales@voyanthealth.com](mailto:sales@voyanthealth.com).*

\*

**RECEIVE A 20% DISCOUNT** on subscription fees when you sign up for an entire year.

## Free, 30-day Trial

After registration, use OrthoWeb for 30 days—**for free**. If you're not fully satisfied with OrthoWeb, you may cancel your account at anytime during the 30-day trial period and you will not be charged. After the 30-day trial period, your account will activate and monthly billing will begin. After monthly billing begins, you still may cancel at anytime.
